

There has been another governmental closure order issued that is obviously beyond our control. We will be closed for all outside dining, effective from December 6 at 10 pm until January 9, at the earliest. We expect this date to be extended. ***But we're still here, to keep your spirits merry and bright with take out!***

Our hours are now from 12:00 pm to 8:00 pm, Monday through Saturday (we're closed Sundays). Our full Pick Up Menu will continue to be available on our website. Please call us at 944 FISH to place an order, or order online through our website by clicking on the **"Order Online"** tab. This is a great way to go – it's quick and easy, and you can pay in advance! When you click on the "order online" link, you'll be taken to our location on the ChowNow website. You can choose to pick up your order or to have it delivered through this site. (Just a reminder, when you add a gratuity to a delivery order it goes to the driver, not to our staff.)

We will be adding some more cocktails to our Cocktails To Go list soon, and our whole Wine List is available to go at 20% off. We even have growlers of beer available, if you bring your own growler.

We have another great option for you - our newly launched **What's for Dinner?** program. Please click on the **What's for Dinner** tab on the home page of our website for more details.

Thank you for all of your support. We will see you for outside and inside dining as soon as those options are allowed.

Cheers!

Ellen, Kevin & the WCYC Crew
