Thank you for your interest in Walnut Creek Yacht Club for your group event. Following are our banquet policies, and several menus that have proven to be the most popular for large groups. Please remember that fresh fish can be subject to weather conditions and availability: We will do our best to inform you of any necessary changes in a timely manner, however we sometimes don't hear from Mother Nature until the day of your event. If we find that we must substitute a fish on your chosen menu, we will always choose one of similar qualities and taste.

We are proud to have an extensive, Wine Spectator Award winning wine list, and a full premium bar, and we are happy to make recommendations from them to accompany your menu.

This room is available for completely private facilities for your group.

The Aft Deck, with its beautiful, custom murals, is covered, can be fully enclosed and is centrally heated. It can be used year round and can hold up to thirty six seated guests (fifty for a cocktail reception).

We are very flexible, and can create the right menu to meet your needs and budget. If you have any questions about the menus, or about making a reservation, please do not hesitate to call or contact us by email via our website. We look forward to hearing from you, and to helping make your event a success.
