

The Finest and Freshest from the Sea

WALNUT CREEK YACHT CLUB
RESTAURANT BAR SEAFOOD MARKET

Hello!

Below you will find the next menu for our What's for Dinner program. All What's for Dinner meals are a complete family dinner for four. All menus have a first course or salad, a main course with two sides, and an optional dessert. Additional people can be added at a per person cost. The meals are designed to be reheated and assembled in your kitchen and come with easy instructions from Chef Kev. If you would like to subscribe to our What's for Dinner mailing list, let us know through the "Contact Us" link on our website.

We will send the email out every week. You just need to reply to the email before 12 noon on Saturday. Tell us if you would like to add additional people and how many. Would you like to add the optional dessert? Let us know the day and time for your pickup the following week on Tuesday, Wednesday, or Thursday between 2pm to 5pm. Also, please let us know if you have any dietary restrictions. We can try to accommodate them. Unfortunately, there are no substitutions on these menus. Do not forget to give us your Loyalty number so that we can add your points! We will then contact you to confirm your order and get your payment information. It's that easy! And voila! Dinner is served!
